HospitaliTAY - A Tay Cities Skills Project

HOSPITALiTAY

The aim of this project is to **strengthen and grow the hospitality workforce** by increasing awareness of industry opportunities and delivering clear, **inclusive pathways into employment, upskilling, reskilling, leadership development, retention, and long-term career growth.**

Through **coordinated work** with industry partners, stakeholders, and communities, the project will support a skilled, adaptable, inclusive and diverse talent pipeline that **meets current and future demands** within the hospitality sector.

HospitaliTAY Grant Opportunity

This opportunity has been designed specifically for hospitality businesses and supports:

- People currently working in the sector
- People who are newly joining the hospitality workforce

For employers, this is a fantastic opportunity to:

- Invest in your team
- Strengthen your workforce
- Address the gaps
- Support leadership development from within

Is your business?

Located in the Tay Cities Region – (Angus, Dundee, Northeast Fife or Perth & Kinross)

A registered hospitality business – For this project it needs to include any organisation operating within the food and accommodation services industry such as:

- Restaurants, cafes, pubs and bars
- Visitor attractions with catering
- Hotels, B & B's, guest houses and campsites
- Other accommodation providers
