- St Andrews Heritage Museum
- Silverburn Flax Mill visitor centre (opens 2026)
- Inchdairnie Distillery visitor experience (opens 2026)

An aerial photograph of a coastal town, likely St. Andrews, Scotland. The town is built on a hillside overlooking a harbor. A long, straight pier extends from the town into the water. The water is a deep blue, and there are some rocky outcrops visible near the shore. The sky is clear and blue. The text "WELCOME TO FIFE" is overlaid in the center of the image.
